### **GRAND LARCENY (BALLISTIC VEST)**

**HAMPTON INN/ 2925 JEFF DAVIS HWY**

**CHARLIE**

Complainant (U.S. Secret Service) advised that after he purchased gas at a Valero station (which shares a common road with the reference motel) and traveled NB on I-95, he noted an indicator light that a door was ajar and saw the rear tailgate opened. When he pulled over, he noted his blue duffel bag which contained his USSS-issued white Genesis ballistic vest was missing and attempted to re-trace his steps. A First Sergeant responding to another call at approximately 10:30 am had seen an unknown middle-aged W/M get out of a white vehicle similar to a Ford Taurus and pick up a blue duffel bag lying on the edge of the shared roadway, which First Sergeant had assumed was his own property. Additional checks with area businesses were negative.
