SUSPICIOUS ACTIVITY – COPPER

VIRGINIA POWER/ 980 WARRENTON RD

ALPHA

Deputy saw a tan 1989 Chevrolet pickup pull into the Virginia Power employee parking lot; 3 subjects got out and walked around equipment and wire spools. They got back in the truck and drove off without lights on for a short time. During a subsequent traffic stop, bolt cutters were located in the truck bed, though none of them would admit knowledge of them. Two of the subjects admitted they had stopped to see if the spool were copper and all had been at Summit Recycling that day; they advised they get copper from dumpsters at job sites. All are staying in Fauquier.
