The deputy was able to identify the driver and served him with permitted warrants for assault and battery, as well as, obstructing free passage.

Crimson Way. A deputy responded to a road rage incident. The victim advised the suspect was following too closely in the area. The suspect would then speed past the victim, nearly causing a collision in the process, only to slam on the brakes in front of the victim. After a brief exchange of words, the suspect assaulted the victim. He was charged with assault and battery, as well as, aggressive driving. He was released by the magistrate on personal recognizance.

The driver was charged with driving under the influence, carrying a concealed weapon without a permit, and refusal. He was held at Rappahannock Regional Jail until sober.

LARCENY

Target, 25 South Gateway Drive. A deputy responded to a past-occurred larceny. Staff advised a male suspect browsing the store filled his cart with over \$170 worth of items. Bounce Back Motorcycles, 1300 Interstate Business Park. A deputy responded to a larceny. Staff advised an orange 2004 Honda CBR 1000R was loaded onto a utility trailer being pulled by a large black SUV. The vehicle was entered as stolen into a law enforcement database.

PUBLIC INTOXICATION

Manheim Auto Auction, 120 Auction Drive. A deputy observed a male at the business. Considering the late hour, it was unlikely he was there for automotive assistance. Deputies made contact with the individual and observed signs of intoxication. During their interaction, it was discovered the suspect was in possession of a handgun located in his backpack. The suspect was charged with public intoxication and carrying a concealed weapon without a permit. He was held at Rappahannock Regional Jail on a \$2,000 secured bond.

When deputies arrived, they located three (3) intoxicated juveniles in view of the public. Deputies attempted to converse with the 16-year-old, but he was aggressive and uncooperative, resulting in his detention. While dealing with the 16-year-old, the 17-year-old advanced towards a deputy, but was quickly detained by an assisting deputy. Deputies detained the 15-year-old without incident. After the situation was finally deescalated, both the 16-year-old and 17-year-old received criminal complaints for public intoxication, underage possession of alcohol, and obstruction of justice. Later, a deputy located both males on Deacon Road, currently riding on the stolen bike. They would crash the bike and flee on foot. Deputies detained one of the suspects, identified as a juvenile, while the other got away, but not for long. Deputies would locate the second suspect, an 18-year-old, on Walnut Farms Parkway a short time later. The 18-year-old was charged with larceny, unlawful entry, obstruction of justice, and contributing to the delinquency of a minor. He was released by the magistrate on personal recognizance. Staff advised a person collecting donations was “highly intoxicated.” The deputy made contact with the suspect and discovered he was in fact “highly intoxicated.” He was charged with public intoxication and held at Rappahannock Regional Jail until sober.

DUI

2200 block of Richmond Highway. A deputy responded to a drunk driver complaint. The caller advised a Mercedes was unable to stay in its lane while traveling Northbound on Richmond Highway. Thanks to the caller’s quick and accurate updates, the deputy quickly located the suspect vehicle and he too observed the undesirable driving behaviors and conducted a traffic stop, making contact with the driver, who advised he just got a fresh cut from the barber. Despite looking dapper, the deputy was more concerned with the signs of intoxication he observed. The driver, a convicted felon, was found to be in possession of a firearm and not wearing a seatbelt. He was charged with driving under the influence, possession of a firearm by a convicted felon, possession of ammunition by a convicted felon, the traffic lane violation, and to top it off, not wearing a seatbelt. DUI

Area of Richmond Highway and Hospital Center Boulevard. A deputy was traveling Northbound on Richmond Highway when he observed a vehicle in front of him missing the rear lights. If that wasn't enough for a traffic stop, the suspect vehicle drifted into another lane and nearly caused an auto accident. The deputy conducted a traffic stop and made contact with the driver. The driver advised he was merely "falling asleep," however, his clear signs of intoxication were more likely the culprit for his less-than-ideal driving. After conducting field sobriety tests, the driver would have a chance to sleep off his intoxication at Rappahannock Regional Jail. He was charged with driving under the influence, the traffic lane violation, and having defective equipment. He was held on a \$2,000 secured bond.

He was taken into custody and during a search incident to arrest, in a predicted turn of events, suspected controlled substances were located. He was charged with possession of controlled substances, public intoxication, and disorderly conduct on hospital grounds. He was held at Rappahannock Regional Jail without bond.

Home 2 Suites, 3051 Richmond Highway. A deputy responded to a disturbance. Staff advised an intoxicated female was refusing to leave the lobby. As the deputy entered the atrium before the lobby, he was struck by the strong perfume of an alcoholic beverage. Victim had been messaging with a male on Facebook by the name of “Adair Li” for a couple of months but had never physically met him. “Adair” told her about a subscription where she could deposit \$50,000 worth of Bitcoin to a trust wallet blockchain account. In return for purchasing the subscription, the victim would also receive an extra \$15,000 deposited into the same account, reaching a total of \$65,000 for trading. Victim proceeded to purchase this subscription and then continued to trade on the blockchain with “Adair” until the account reached a total of \$146,742.58.
