WARRANT SERVED

The deputy attempted to make contact with the suspect, who would refuse deputies commands to exit the room and instead locked it. After realizing deputies weren't just going to walk away, the suspect did some deep thinking and decided to surrender. He was served on his outstanding warrant, as well as, charged with obstruction of justice. He was held at Rappahannock Regional Jail without bond.

BRAVO ZONE

DUI

The caller would provide live updates until the suspect vehicle turned onto Caisson Road, where deputies made contact with the driver. The driver had signs of intoxication and a suspended license. The driver was charged with driving under the influence and driving while suspended.

New Hope Church Road, deputies responded to a call in which "things got weird." The caller advised "things got weird" as he was driving and people were following him. Deputies made contact with the driver and did not discover any followers. The driver admitted to consuming controlled substances prior to driving and deputies noticed his inspection sticker expired 11 years ago. The driver was charged with driving under the influence and having an expired inspection.

Area of Deacon Road and Brooke Road, a deputy responded to a drunk driver complaint. The caller advised an orange Jeep was speeding, swerving, and nearly struck another vehicle. Luckily, the bright Jeep was easy to locate even with the sun setting. The deputy made contact with the driver who showed signs of intoxication and admitted to consuming "too much." Despite knowing she consumed way too much, she still decided to drive. The driver was charged with driving under the influence.

Cool Springs Road, a deputy was patrolling the area when he observed a Toyota swerving. A traffic stop was conducted and the deputy made contact with the driver, who had signs of intoxication. Within the vehicle was a graveyard of empty beer containers, ten to be exact. The driver was charged with driving under the influence, drinking while driving, and the traffic lane violation.

A criminal complaint for destruction of property was submitted and the juvenile was released to his less-than-pleased mother.

CHARLIE ZONE

LARCENY

While the female party was located onsite and was detained, the male suspect was no longer on scene. Luckily, his “Parental Advisory” hoodie made it easy for the deputy to locate him just across the street. Both were charged with assault and battery, as well as, assault by mob.

DUI

Area of Courthouse Road and Austin Ridge Road, a deputy was in the area when he observed a vehicle enter the construction site. Given the lateness of the hour, it was unlikely the driver was there for drywalling and the deputy decided to make contact with him. The driver was charged with driving under the influence.

The suspect stated to the deputy “go get your warrants then,” and the deputy did so. The suspect was served on a defrauding warrant.

PUBLIC INTOXICATION

Jeff Rouse Swim and Sport Center, 1600 Mine Road, a deputy responded to a public intoxication call. It was advised a “heavily” intoxicated male was in the area. The deputy made contact with the suspect who had signs of intoxication. The suspect wanted to perform a breath test to prove he was not intoxicated; however, that did not go as planned for the test showed he was three (3) times over the legal limit. The suspect was charged with public intoxication and held at Rappahannock Regional Jail until sober.

WARRANT SERVED

Ruffian Drive, a deputy responded to a disturbance. Despite the late hour, it was advised a female was at the front door of a residence causing a scene. The deputy made contact with the suspect, who provided a false identification. This was quickly uncovered and the deputy discovered the suspect was wanted out of Fairfax. The late-night visitor was charged with providing a false identification to law enforcement, unlawful name change, and was served on her outstanding warrant. She was held at Rappahannock Regional Jail without bond.

LARCENY

Home Depot, 305 Worth Avenue, a deputy responded to a trashy larceny. Staff advised a male suspect filled two (2) garbage cans with “high-end” smoke detectors. He would wheel the over \$7,000 worth of merchandise out of the business before fleeing in a red Buick. It was further advised the same suspect stole from additional Home Depots in neighboring jurisdictions. The investigation is ongoing.
