NOVEMBER 4TH – NOVEMBER 10TH, 2024

ALPHA ZONE

DUI

Plantation Drive. A deputy conducted a traffic stop on a Toyota for a traffic lane violation. The driver had strong signs of intoxication, admitted to consuming two (2) beers, but despite that, advised "I feel like I'm good." When it was discovered he was not as "good" as he thought, the driver's behavior became less than pleasant with deputies. Despite openly admitting to consuming alcohol before driving, he believed it did not constitute an arrest and the incident was "bull." The driver was charged with driving under the influence, refusal, and the traffic lane violation.

Motel 6, 401 Warrenton Road. Deputies responded to a drunk driver complaint. The caller advised a van was swerving and nearly struck multiple vehicles before parking at the Motel 6. The caller further advised the driver exited his vehicle, went into a nearby market, and returned to the vehicle with a case of beer. Deputies easily located the work van and made contact with the driver when the driver quickly threw his vehicle into reverse. Luckily, a deputy had positioned his cruiser behind the van to prevent it from leaving. The driver had signs of intoxication, admitted to consuming approximately six (6) beers, in addition to one of the beers he just bought; a Modelo was sitting in the center console. He was charged with driving under the influence with a blood alcohol content between .15 and .2.

Area of Warrenton Road and Melchers Drive. A deputy made contact with a driver of a Nissan Altima on the side of the road when he observed a bottle of Don Julio in plain view. The driver had signs of intoxication, admitted to consuming "about two shots," and was in possession of a firearm. He was charged with driving under the influence and carrying a firearm while intoxicated.

700 block of Truslow Road. A deputy responded to a single-vehicle auto accident. A Toyota was totaled after leaving the roadway and striking a rocky embankment. The driver, who somehow avoided injury, had signs of intoxication and admitted to consuming a vodka cranberry. The driver was charged with driving under the influence.

SWATTING

Basalt Drive. A deputy responded to a shooting of a person report. The caller advised he just shot a family member and threatened to shoot himself. As the call continued, dispatch detected indicators of swatting. The deputy made contact with the occupants of the address and discovered no such emergency had occurred.

TRESPASS

Truckin Thunder, 6 Commerce Parkway. Deputies responded to a trespassing. Staff advised a vagrant, who was trespassed from the business on Halloween, was back again. Deputies made contact with the suspect who demanded that law enforcement should be called. She was informed that deputies are in fact law enforcement and deputies attempted to detain her when she began to resist. She was eventually placed in handcuffs and charged with trespassing and obstruction of justice. She was held on a \$500 secured bond.

BRAVO ZONE

FRAUD

Lendall Lane. A deputy responded to a fraud. Someone in Florida would be gaining a Ninja mixer after fraudulently using the victim's information.

BREAKING AND ENTERING

Overlook Court. Deputies responded to a breaking and entering. The caller advised a sliding door was removed from the doorframe and they could hear voices coming from the inside the residence. Deputies cleared the residence and located an 18-year-old and juvenile inside. The suspects admitted to unlawfully entering the property and were "just chillin". The 18-year-old was issued summonses for unlawful entry and contributing to the delinquency of a minor. A criminal complaint for unlawful entry was submitted for the juvenile.

DUI

Area of Primmer House Road and Morton Road. A deputy observed a Ford failing to maintain the lane of travel and conducted a traffic stop. She was charged with driving under the influence, carrying a concealed weapon, and refusal. She was held at Rappahannock Regional Jail on a \$,2500 secured bond.

DUI

1800 block of Richmond Highway. A deputy located a DUI driver. While traveling Northbound, the deputy observed a van impeding traffic with his extremely low speed while in the left lane. The deputy conducted a traffic stop and made contact with the driver. The driver blamed his less than ideal driving on his GPS; however, the signs of intoxication and open container of alcohol led the deputy to think otherwise. After field sobriety tests, the driver was charged with driving under the influence, drinking while driving, and impeding the flow of traffic.

Sheetz, 15 Wyche Road. A deputy was traveling Northbound on I-95 when he observed a Hyundai traveling 47 MPH. Despite the low speeds, the driver was having a hard time not swerving on the roadway and would travel without headlights. He was charged with driving under the influence, carrying a concealed weapon, the traffic lane violation, and driving without headlights. He was held at Rappahannock Regional Jail on a \$2,500 secured bond.

The poor driving behavior continued as the driver was having a hard time maintaining the lane of travel. The deputy conducted a traffic stop and made contact with the driver, who had signs of intoxication. The driver must have had the munchies, for he advised he just came from McDonald's, yet his GPS was taking him to a local Wendy's. The driver's destination was recalculated to Rappahannock Regional Jail where he was charged with driving under the influence, refusal, and two (2) counts of traffic lane violations.

The margarita lover would tango down to Rappahannock Regional Jail where he was charged with driving under the influence.

Orville Road. A deputy was traveling on Garrisonville Road when he observed a speeding Nissan.
