## Emergencies in the Community

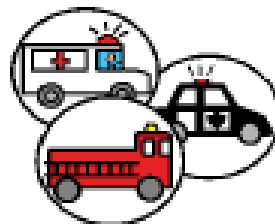

When I am out

in the community

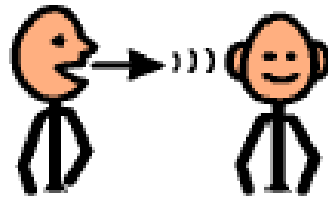

there might be an

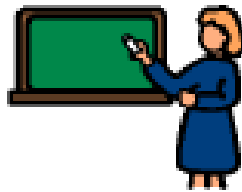

emergency.

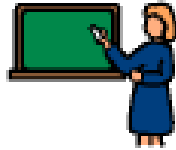

If a student gets

hurt, I can tell

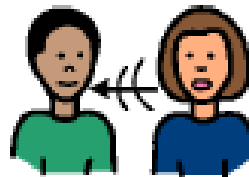

my teacher.

If my teacher gets

hurt and won't wake

up, I can find an

adult to help.

I should look for

an adult in a uniform.

-police officer

-fireman

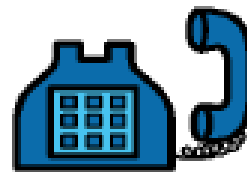

-store worker

-waiter

Sometimes I may

**911**

need to call 911

for help.

I need to call 911

when:

**911**

-an adult tells me to

**911**

-an adult won't wake up

**911**

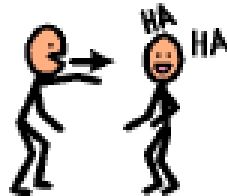

-there is a fire

I do not need to

call 911 when:

~~911~~

-it is a joke or prank

~~911~~

-an adult can help

~~911~~

-a small accident and  
no one is hurt

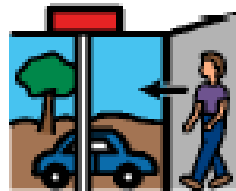

If there is a fire in a

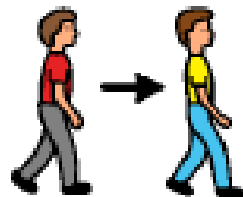

building I need to:

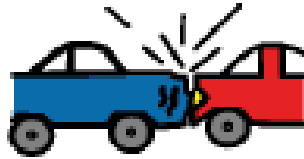

-listen and follow directions

-walk to the nearest exit

-follow my teachers to a safe spot

If there is a car

accident I can:

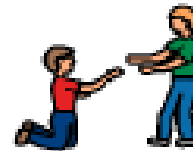

-listen and follow directions

-look for other cars when I get out of the car

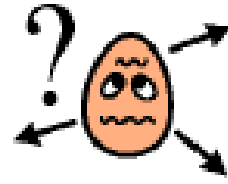

**911**

-call 911 or get another adult to help if my

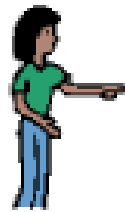

teachers are hurt and wont wake up

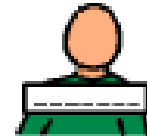

If I get seperated

from my group I can:

-find and adult in uniform

-tell the adult my name,

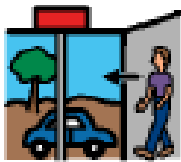

school, and that I am lost
