Special Event Informational Package and Application

WHAT DEFINES A SPECIAL EVENT?

A Special Event is any event that meets one or more of the following criteria:

- Any event that is a parade, carnival, festival, block party (not for private or residential use), running, walking or bicycling event.
- Any event to be held at a County facility with a projected attendance of 1,000 or more.
- Any event that will require the use of County resources for security, crowd control, traffic control, fire or EMS.
- Any event that requires the closure of any street or public right of way to vehicular or pedestrian traffic.
- Any event requiring interagency coordination that may change or restrict the normal levels of public service provided in Stafford County

*Please note, some events such as private, residential block parties or park rentals, may not require the Special Event process; however, the event may still require a permit. Please refer to the Permit Section for details.

INSTRUCTIONS FOR COMPLETING THE SPECIAL EVENT APPLICATION

Careful completion of this application will assist in reducing any delays in the approval process. It is important that you follow the instructions and provide clear and accurate information. Submit all necessary documents as directed. Please contact the Stafford County Office Emergency Management Coordinator at 540-658-7200 for more detailed information if required.

The following sections **MUST** be completed by the event coordinator for ALL events:

- General Event Information
- Security Plan
- Site Plan

If applicable, you must provide a clear route map and written description of the route and a copy of your road use permit submitted to the Virginia Department of Transportation.

Other than those sections indicated above which must be completed for ALL events, only complete those sections that pertain to your individual event.

The completed application, along with any other supporting documentation, are to be submitted to: specialevents@staffordcountyva.gov

After submitting all necessary information, your application will be sent to all departments involved in providing services or permits. Do not assume that all aspects of the event will be approved; you may be asked to make changes to your plan based on the availability of services and scheduling of other events. You will then be notified if the event has been approved.
